

# SUMMER WALKING WEEKEND

at [The Nightingale Centre](#)

FRIDAY 14<sup>th</sup> to SUNDAY 16<sup>TH</sup> JULY 2023

The Peak District is a lovely place to walk either on your own or with others. This Summer Walking Weekend is a chance to meet new people or reconnect with friends, explore this lovely area, find parts you didn't know existed with the chance to relax in the clear air of the countryside surrounding this beautifully situated venue.

Information about walks – some direct from the centre itself - is available as are good facilities for walkers (packed lunches, drying area etc).

This weekend will be full board from Friday dinner until Sunday lunch inclusive. Prices for the weekend range from £154.00-£164.00 depending on the type of room (ensuite or non en-suite etc).

Places are still available so why not ring or email the Nightingale Centre and book yourself in? Or you can speak to us for more information about the weekend. We'd love to see you.
